

TRADE

AIRMAX TRADESMAN SERIES - Belt Drive

AIRMAX 12

10.7cfm, 125psi, 2.5hp - mec 80 motor, B2800 ABAC pump, 58 litre tank, sold wheel.
Ideal workshop compressor

AIRMAX 15

14.2cfm, 125psi, 3.0hp - mec 90 motor, B3800 ABAC pump, 58 litre tank, sold wheel.
More power and larger reserve to run most airtools

BELT DRIVEN HEAVY DUTY PREMIUM SERIES

Capacitor start, capacitor run motor - for better start, more output. Pneumatic tyres, German switch, detachable handle. Extended Warranty - 3 years on tank, fittings and pump, 2 years on motor and switch

ATC12NS

11.7cfm, 130psi, 2.5hp BC motor, 52 litre tank, pneumatic wheels, twin regulator.
FAD 8.4cfm @ 100psi

ATC15NS

16cfm, 130psi, 3.0hp BC motor, 52 litre tank, pneumatic wheels, twin regulator. FAD 12.3cfm @ 100psi

BELT DRIVEN CAST IRON PUMP SERIES

PAC 10

9.7cfm, 125psi, 2.5hp Mec80 motor. V twin cylinder, cast iron, UB-20 pump. 40 litre tank, 8" solid wheels.
Ideal home workshop unit for quiet and compact operation.

PAC 15

15cfm. 125psi, 3.0hp BC motor. V twin cylinder cast iron UB-30 pump. 58 litre tank, 8" solid or air tyres.
Offers similar output to PAC16 but lighter/more portable.

PAC 16

16cfm, 125psi, 3.0hp BC motor. Triple head UB-40 pump. 58 litre tank, 8" air or solid tyre.
Heavy duty operation suit engineering shops.

PAC 18

18cfm, 125psi, 2.2Kw three phase,
- Portable triple UB-40 pump. 58 litre tank. 8"solid wheels.

PETROL POWER

TRAILBLAZER

12cfm, 125psi, portable, 9 litre tube tank, 5hp Honda GC160 motor.

CONTRACTOR 12

12cfm, 125psi, 2cylinder Belt drive, 5hp Honda GC motor, 40 litre tank. Pneumatic tyres.

CONTRACTOR 15

15.5cfm, 125psi, 2cylinder Belt drive, 5hp Honda petrol motor, 50 litre tank. Pneumatic tyres.

UTE MATE

Series - compact enough to fit under the ute tarp or van window. In roll frame. 40litre tank and pressure switch.

UTE MATE - 12E 12cfm, 125psi, BC 2.5hp electric

UTE MATE - 12P 12cfm, 130psi, 5hp Honda petrol

UTE MATE - 15E 15cfm, 125psi, BC 3.0hp electric

UTE MATE - 15P 16cfm, 130psi, 5hp Honda petrol

CONTRACTOR 17

17cfm, 125psi, 2cylinder Belt drive, 5.5hp Honda GX motor, 50 litre tank, dump valve. Pneumatic tyres.

CONTRACTOR 20

20cfm, 150psi, 2cylinder Belt drive, 6.5hp Honda GX motor, 50 litre tank, recoil start. Pneumatic tyres.

STATIONARY PETROL POWER - ELECTRIC START - BATTERY NOT INCLUDED

CONTRACTOR 17SP

18cfm, 2 cyc Belt drive, 160psi, 5.5hp Honda GX electric start, 50 litre stationery tank.

CONTRACTOR 20SP

20cfm, 2 stage, 2 cyc Belt drive, 160psi, 6.5hp Honda GX electric start, 50 litre stationery tank.

CONTRACTOR 30SP

30cfm, 2 stage, 2 cyc Belt drive, 160psi, 11hp Honda GX electric start, 140 litre stationery tank.

DIESEL POWER

CONTRACTOR30D

30cfm, 2 stage, 175psi, 10hp Yanmar aircooled diesel, 140 litre stationery tank.

OPTIONAL EXTRAS & ACCESSORIES

Rollcage frame for 50 litre tank.

Contractor "Pneumatic tyres" and 25mm axle kit to fit ATC and Airmaster range.

Pneumatic tyred trolley to fit Trailblazer.
